Angel Education Forum

Preceding the dinner meeting, an optional Angel Education Forum will begin at 4:00pm for dinner attendees. The topic of this forum will be Due Diligence. The forum will be led by **Jennifer Mannino (bio below)**. Please respond to this email if you are planning on attending the Angel Education Forum. Location TBD based on attendance - we will let you know the location in a reminder email the week before the dinner.

Bio of Angel Education Forum Speaker

S. Jennifer Sellas-Mannino is co-founder and President of RISC®. Servicing a number of business sectors, Jennifer's specialization is in domestic and international intelligence gathering, investigative due diligence and corporate investigations. She manages full cycle investigations in support of commercial lending institutions, alternative investment groups and law firms. A New York native, Jennifer received her BA from Fordham University and her MBA with a specialization in Global Management from the University of Phoenix. She serves as the Chairperson for AzALL's Legal Research Institute, and actively speaks before legal organizations and alternative investment communities on the methodologies and analyses of background investigations. At the TAN meeting, Jennifer will discuss the "people" indicators in a business transaction, which go beyond the financial audits and legal negotiations.

We look forward to seeing you on the 15th! Please reply to this email if you have any questions.

Sincerely,

Thunderbird Angel Network
